

UG Strong - Helping our Veterans

Building Community Partnerships

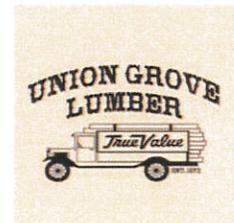

The Paralyzed Veterans of America - Wisconsin Chapter is excited to be part of a collaborative effort to provide wheelchair accessible picnic tables to the Union Grove Veteran's Home. The UGHS shop class designed and built the tables with lumber and hardware purchased locally. The following local businesses sponsored this project:

- Union Grove True Value
- Union Grove Kiwanis
- Connolly Physical Therapy
- Union Grove Piggly Wiggly
- Martin's Chrysler
- North Shore Bank - Union Grove
- Roseanne's Floral & Gifts

Accessibility for all!

The UGHS Shop class created a design for an accessible picnic table that can accommodate four wheelchair users and four able bodied persons at the same time. This unique design allows for veterans, their families or care givers to be seated at the same table.
